Interactive Map User Guide
(Note: there is no audio with the slide show)

March 20, 2020
Shreveport-Caddo Metropolitan Planning Commission provides a web-based interactive map accessible to the public to check zoning.

Interactive map location:
- https://shreveport.maps.arcgis.com/apps/webappviewer/index.html?id=473e88d950914bae881e607005eacb1a

Follow the steps on the next pages to check the zoning of a property*.

*Due to the amount of time it takes to upload recent map updates, it is recommended to follow-up with the planning staff to confirm the zoning found on the map by calling 318-673-6480.
Disclaimer Acceptance

This product is for informational purposes only and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries. It has been compiled by the Shreveport | Caddo Metropolitan Planning Commission (MPC) using numerous official and unofficial sources. Although every effort was made to ensure the accuracy of this data, no such guarantee is given or implied by the Shreveport | Caddo MPC. Any document viewed may be inaccurate due to errors contained in the original sources or occurring through the digital formatting and electronic transmission process, or the failure to include or otherwise cross-reference any updates or changes to the original sources, or for any other reason. The Shreveport | Caddo MPC specifically disclaims and accepts no responsibility for any errors or inaccuracies in the original sources, the conversion of such sources into a digital format, the electronic transmission of such information, the failure to include or otherwise cross-reference any updates or changes to the original sources, and any other errors or omissions that may occur. By clicking the 'Accept' button, I agree that in using the data provided by this application, I am doing so at my own risk understanding that there is no guarantee to the accuracy of this data and therefore placing all liability upon myself concerning the use of this data in any way.

Don't show this again. You may click on the link at the top right of the main screen at any time to see this disclaimer.

Then click here.

- Address Search Tool
- Planning Limit Boundary
- Shreveport City Limits
- Legend On/Off
- Layer List
- Zoom Tools
To Identify Zoning for a Property
Open the Layer List

After it zooms to the location, Click to open the Layer List
Turn on the Zoning Layer

Check the box to turn on the zoning layer.

NOTE: If it is a Bossier Parish parcel inside our planning limits, click this layer instead.
Click to See Parcel Zoning

Click on the desired parcel:
- Verify the address
- BASE_ZONE is the zoning district (you may have to scroll down)
- Refer to Articles 4 and 5 of the Unified Development Code (UDC) for zoning district definitions and permitted uses

NOTE: Due to the amount of time it takes to upload recent map updates, it is recommended to follow-up with the planning staff to confirm the zoning found on the map by calling 318-673-6480
To Identify Historic or Economic Development Districts
To View the Districts

Check the box for the layer(s) you wish to view. The layers will appear as shown on the next slide.
Historic and Economic Development Layers

Historic Individual Sites

Historic Districts

Economic Development Districts
To Check a Specific Address

Enter the address here

After it zooms to the location, Check the box for the Parish Lots layer and the layer(s) you wish to view.
Click to See Historic/Economic District Info

Click on the desired parcel:
- Verify the address on the Parish Lots tab
- Use the arrows to page to the Historic Districts tab or Economic Development Districts tab
- The name of the district will be shown.
