Dear Mr. Jordan:

The Material Handling Equipment (MHE) Installation has been delayed due to their installation schedule. This has caused the client to delay their occupancy and launch date accordingly. At this time, we are requesting a TCO extension to September 30, 2024 based on current estimates provided by the MHE Vendor. This TCO extension will include levels 1, 1.5, 2, and 3 of the warehouse as well so Amazon can begin operations on those floors.

Best regards,

Kevin Lackey
